life, health, retirement

For you, your loved ones or someone you know who can benefit from a healthcare benefits plan.

It's a brand new healthcare benefits plan that provides you and your family with all the flexible protection you need today ...

AT A VERY AFFORDABLE COST!

- 12 healthcare benefits you choose
- \$1,000,000 in travel insurance for the first 9 days of any trip
- Customize your coverage package based on your needs by adding optional benefits such as Prescription Drugs, Hospital Coverage and Dental Care
- A variety of coverage options available to suit your situation and budget: Special pricing for individuals, single parents, couples and families

And... if you are self-employed or a contract worker, you may be able to **deduct your premiums from your annual income to REDUCE TAXES!**
